Directors Report presented by Abby
New microfilm reader is here and almost ready to use. New subflooring is down and Abby requested the board members look up on the mezzanine because kids are already doing the Summer Reading.
Staff Day focused on health and safety and how the library can service new Syrian neighbors. Inventory project update. Started on Adult nonfiction. Staff sorted and now they have found 3,000 missing or lost items that were not actual books but a computer glitch from transferring from the old system to current system. Randal worked on the DVD collection and it is done. Ultimately, we will know what we have and the catalog will be up to date. This is a priority of the Strategic Plan.

Assistant Director’s Report by Randal
Reader came in $3,500 under budget. We found an older model that is very accurate. IRS link is installed. The IRS is closing its office on Route 4 in Mendon and the link will allow patrons with questions to contact the IRS at the library. Half of the computers that we are keeping are updated and new ones are on order. Joan asked for additional clarification on the process.

Finance:
Discussion regarding hiring new accounting firm; Cathy reviewed the bids from 3 firms who were interviewed. We budgeted $5000 for this year and $3500 for next year. The $3500 figure was too low. This will have to be adjusted for next year. The lowest bidder was Michael
Bandler. Estimate was $4,550. References are excellent. He is a Quick Books expert. Theresa liked working with him. Cathy proposed we hired Michel Bandler for the Accounting firm. Joan seconded. Passed. Abby will handle notification of the Accounting firms.

**Policy and Planning.**
Delegation of Authority policy needs to be reviewed. Abby will give Joan the information needed to present to policy and planning. Will look at the whole policy at the full meeting next month.

Conversation about planned giving initiatives. Will send out a master list of people who haven't responded. Presentation of two potential donor software programs will be done at the next meeting. Betsy asked if there was a board member who wanted to be a liaison to Refugee resettlement. Discussion regarding a informational display regarding the Refugee Resettlement program is looking for a location for display. Jude volunteered be the liaison and to see about having the library host the display in the lobby.

**Building**
The committee announced the receipt of a grant from Vermont Community Foundation in the amount of $5,000 to help pay for the new subfloor and flooring. The grant from the Vermont Arts Foundation will be determined in August. The committee discussed concerns regarding weatherization of the entrance doors leading to Court Street and Washington Street. Betsy will see if Green Mountain Power can help with this. There was an announcement of a Trial program of adding additional seating in the lobby area to see if this addition would be utilized by patrons enough to justify adding additional permanent seating.
